

Hello OKWU Prep Students,

First of all, welcome to the OKWU Prep program! We are so excited to have you on campus and I look forward to meeting all of you. This year, we are going to host an orientation for new concurrent students. The orientation will take place on Thursday, August 22 from 3:30-5:30 PM. At this orientation you will get a tour of campus, obtain a parking pass, register for library services, and meet professors and fellow students. Representatives from admissions, IT, and security will be on hand to answer any questions. Please make every effort to attend this orientation. I understand that some of you are student athletes, and the orientation falls during practice. If you need me to contact coaches to request an absence, let me know ASAP. Parents are also welcome to attend.

We will meet in Lyon Hall at 3:30 PM. Attached below is a map of OKWU. You will park in the admissions parking lot (marked on this map)- turn into the admissions entrance (not the main entrance) and park in the parking lot immediately to your left. Enter the first doors you see and take your first left down the hall. Lyon Hall will be on your right after you pass the large Chapel.

If you have any questions about the orientation or about your classes, don't hesitate to reach out via email or either one of my phone numbers found below. Again, I look forward to meeting each of you.

I'll see you on campus!

Julie Hufstetler  
Director, OKWU Prep

# OKLAHOMA WESLEYAN UNIVERSITY
